We love food.

**More importantly we love making
great food for you.**

We arrive early, switch on our bakers oven and fill it with homemade goodies to deliver straight from our oven to your door.

We buy our food locally where possible. Our butcher is local and is as passionate about quality as we are.

Our free range eggs come from local, happy hens.

We are always looking for ways to improve our products and services so if you have any suggestions then please talk to us.
